Dr. Rick Muma

Wichita State University

(Meeting sponsored by United Way of the Plains)

Dr. Rick Muma, 15th President of Wichita State University, will provide an update on the priorities and the trajectory of the University. Information will include how WSU is helping advance our community and businesses. They are concentrating on providing an affordable education to our students while focusing on growing our workforce and supporting our region's long-term economic prosperity through applied research and applied learning. These objectives will be supported by initiatives such as increasing need-based aid for students, research in digital transformation and preliminary work on a proposed academic health science center.

Matthew D. All

President / CEO, Blue Cross Blue Shield of KS

***The Pandemic and Health Care in Kansas -
Where We've Been, Where We're Going***

Matt All, President and CEO of Blue Cross and Blue Shield of Kansas, will discuss his company's experience as an employer and the state's largest health care payer during the pandemic. He will explore the impact the pandemic has had on the state and its health care system, and what BCBSKS has done to help our state move forward.

Matt is a fifth-generation Kansan who brings more than two decades of experience in leadership and service to his role as president and CEO of Blue Cross and Blue Shield of Kansas. All became the eighth person to lead the state's largest health insurer when he became president and CEO April 1, 2018.
