Go Far: How Endurance Sports Help You Win At Life

Jennifer Strong McConachie

Marketer and author Jennifer Strong McConachie shares principles and stories from her worldwide sports and business career to help others succeed. Learn how to GO FAR in your own life with Jennifer's three-part, total approach to charting your desired

course; how to set and accomplish big goals while overcoming obstacles; deep ways for developing personal and professional fulfillment and resilience; and how to adapt to what life throws at you while staying true to your vision for your future. Join Jennifer as she climbs mountains, runs volcanoes, treks deserts, hikes canyons, bushwhacks jungles, swims seas, and shares how these experiences translate into a winning outlook on life.

Dr. Tiffany Masson - KS Health Science Center

Tiffany Masson, Psy.D., President of Kansas Health Science Center (KHSC), is an exemplary leader in higher education with more than 15 years of experience leading teams to find innovative, technology-driven solutions to the concerns facing universities across the world. She developed and managed international partnerships which focus efforts on specific international human capacity development projects in Africa. As a global innovator, Dr. Masson developed and managed international partnerships and continues to focus efforts on specific international human capacity development projects in Africa. In addition, she co-developed a country-specific 12-day trauma training program (Global HOPE Training Initiative) that aids teachers in effectively recognizing, assessing, and intervening with traumatized children. Her work in Rwanda and ability to develop government and private partnerships has proved successful in the expansion of the Global HOPE Training Initiative to Zambia and South Africa.

Martin Luther King Day - No Regular Meeting - Day of Service

WE NEED VOLUNTEERS!

WHAT?

Rotary clubs in the greater Wichita region are coming together on January 17th, the Day of Service, to package meals to be distributed both locally. We'll be volunteering 1 hour of time to help assemble shelf-stable, nutrient-dense, high-protein meals for those in need in our communities. Volunteers will work on assembly lines to scoop ingredients, weigh and seal bags of delicious meals that will be distributed to local food pantries. Each team of 10 volunteers will produce 2,000 servings over the course of the one hour shift!

WHERE / WHEN?

Derby Welcome Center at 2:00 pm. (611 N. Mulberry Rd). The event will last about 1 hour.

WHO?

This is a family friendly event. All are welcome. (Bring crayons for little ones.)

HOW?

Email or call the office to sign up. We have 50 slots available for our club!
