The Four-Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

Nov. 8th - Botanica VISITOR'S DAY

(Guests MUST be pre-reserved to qualify for gift card drawing!)

Tim Fisher, NASA Gateway Program

Tim Fisher, Wichita native and NASA Chief Engineer, will talk about his journey from average Kansas boy to leading the engineering of NASA's Deep Space Lunar Gateway - the cornerstone of our International effort to return to the South Pole of the moon. He'll tell his story of being on the inside of NASA's human spaceflight programs and provide an update on our plans to land the first woman and first person of color on the moon.

Nov. 15th - Botanica Adam Smith

Destination Playscape: the Next Step For Exploration Place

Born and raised in the UK, Adam obtained a Bachelor's degree in Modern History from the University of Leeds, England and a Master's degree in Museum Studies from the University of St. Andrews, Scotland. He worked in World War 1, farming, golf and coal mining museums, before being appointed in 1995 to lead Scotland's National Museum of Flight. In 1998

Adam was invited to Buckingham Palace to be honored as a "Young Achiever" by the Queen of England. In November 2019 he moved to Wichita to become President/CEO at Exploration Place. Smith is an instrument-rated pilot, collector of pinball machines and an avid fan of his soccer team, Burnley.
