The Four-Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

May 9 - Botanica Cindy Carnahan *Flowers on Douglas*

Cindy Carnahan has lived in Wichita her entire life and is proud to be a part of the Wichita area community. Cindy is a passionate fan and supporter of her alma mater, Wichita State University, where she earned a bachelor's degree in Elementary Education. Following graduation, Cindy taught in the Wichita Public School System for a short time before going to work with her parents in the family owned business, The Ed Clarke Company Realtors®.

Cindy devoted herself to the family business, expanding her knowledge and experiences and learning the best of the Real Estate business for 14 years. When her father retired at age 72, Cindy decided to broaden her experience by going to work for her biggest competitor and the largest Real Estate company in Wichita, J.P. Weigand & Sons, Inc and quickly achieved significant sales growth as well as a reputation for tenacity and dedication to customer service. Cindy is now an active partner in ReeceNichols South Central Kansas.

Today, with more than 35 years of Real Estate experience, Cindy is widely recognized as one of Wichita's most successful entrepreneurs and has been the top Realtor in Wichita for more than two decades.
